Viktoriia Kelii
Front-end developer, UI/UX designer

I am a creative, initiative, and a hard-working person looking for a job in Front-end development.
I have good knowledge of JavaScript, HTML, CSS, and basic React. I am prepared to take on new challenges, and ready to learn, improve and get better. Can prove myself as an efficient team player. I'm seeking an entry-level position with company to use my skills in coding, troubleshooting complex problems, and assisting in the timely completion of projects.
